

In April 2015, we ran our annual Client Survey, asking CoStar Suite users how the product helped them in three key areas: productivity, market knowledge and service. The results we collected are below.

How does it improve your productivity?

Productivity	 95%	It speeds up my research process
	 90%	It helps me provide a better service to my clients
	 90%	It saves me time

How does it improve your market knowledge?

Market knowledge	 86%	It enhances my market knowledge overall
	 82%	It helps operate in geographies I'm less familiar with
	 60%	It reduces the risk of missing opportunities
	 57%	It helps identify opportunities

Overall Service by CoStar

Support	 74%	Rate the relationship with CoStar researcher as good or excellent
	 88%	Rate the overall client service level good or excellent
